Kindly note that the below testimonials are unedited, please excuse any grammatical mistakes and formatting /colour inconsistencies.

Our boy is in his second year at Axcel Campus, where he is thriving academically and socially. The benefits include the interactive classroom, extra life skill programmes, and most importantly, a team of passionate cum responsible management and teachers. Well done and keep up the good works!

As parents, we have made the right decision to send our daughter to Axcel Campus, after considering so many international/home schools around. Our daughter has been enjoying the school lessons and activities here, and we find that Axcel Campus has given her the opportunity to expose to various aspects of academic, soft skill, latest trend in the real world, etc.

1-5 year in Axcel, my child gains her confidence and improve in inter-personal skills.

Great learning environment offers platform for my boy. He is glad he feels supported, safe learning although it's just a couple of months.

AXCEL CAMPUS : Testimonials from Parents – May 2019

Yes, highly recommended for the parents who wants to let their children to excel in not only academic but also the personal development in their attitude and characters. This is a good school to nurture our future hope.

Axcel campus puts emphasise not only on education, but child's development and support ~~the~~ ^{on} external curriculum as well.

Activities from the school is quite good exposure + experience for the children.

Keep up the good work.

My son has been with Axcel Campus for the 2nd year now. We believe in ~~AXCEL's~~ ^{programme} that attitude + character building is of vital importance and AXCEL is in line with our beliefs and we see good values being ^{programme} instilled.

- My daughter ~~enjoyed in~~ enjoyed study in school
- Teachers are caring.

AXCEL CAMPUS : Testimonials from Parents – May 2019

Axcel campus is really a good and organized school. I see my 2 kids improve a lot^{not just} in their study and ~~now the result~~ also ~~participate~~ actively participate in presentation and story telling.

Daughter is happy with the school environment, teachers & friends.

- Food provided is good
- Balance emphasis on study & extra curriculum
- Maybe more extra class for students weak in certain subject.

Appreciated all teachers for guiding and encouraging my girl to be a better and happy student.
what I would like to say is Thank You!
I can really see the school is getting better and better. Looking forward for new transformation too.

There are more than academics been though here. My daughter enjoyed the activities. She improved in social and communication.

Axcel - thank you teachers for guidance and i appreciate Axcel focus on character building beyond academic.
Hope to nurture the character of my kid to be more open and develop presentation & public speaking skill.

AXCEL CAMPUS : Testimonials from Parents – May 2019

Thank you for creating a very positive & encouraging environment. Thank you for ~~you~~ all passionate & responsible & loving teachers. Thank you for letting students involved in a lot of activities and they learned and grow from organizing and planning.

Overall the school activities are goods & we are happy abt it.

Hope my son can participate more activities or ~~more~~ can also let him participate on some activities assign to him to handle.

TQVM.

- Axcel Campus provides a holistic education to the students and this helps to bridge the education & the working environment.
- Axcel Campus occasionally engages professionals & mentors to give talks / advises to the students.

Those ^{non-academical} activities that enriched/widen students learnings ^{have} benefited them; good to encourage them to go out of box especially exposures such as team works, socialization, communication & relationships among students/teachers, leadership plus responsibility.

Thankful to all teachers & Principals & Management team members (CEO + staff) for ur hard efforts & tolerances.

Axcel has in place a balanced of academic and physical developments.

AXCEL CAMPUS : Testimonials from Parents – May 2019

Highly recommend Axcel Campus School !

Prior to this, my girl very quiet and unhappy in the school. After joining this school, she is very active and happy to participate in many activities. I am so surprise to see she can do the presentation nicely and enjoy learning in school. Thank you all teachers in Axcel Campus!

Axcel Campus focus at the overall personal growth of the students like character building, this is as important as academic for their future success.

WE ARE SATISFIED & CONFIDENT THAT AXCEL IS THE RIGHT ENVIRONMENT FOR OUR CHILD TO DISCOVER HIS/HER FULL POTENTIAL.

My kid has joined Axcel for only 4 months. The difference that we observed is she is more open up to express herself. she also participate more in class as compare to primary school. Group assignment is very good to build a future leader ~~and~~ and very helpful in student working life later.

~~More exercise / assignment~~

So far we are satisfied with Axcel campus. I really see improvements in my child.

AXCEL CAMPUS : Testimonials from Parents – May 2019

① We are very pleased with the way Axcel has progressed in the past two years - expansion of centre and development programs for the students.

We will recommend Axcel campus to friends as we know it really helps in children education.

My son ^{enjoyed} very much studying in this school. He likes the interactive teaching between students & teachers.

Can see improvement in his English and the English teacher as he is happy study here.
Good environment to learn.

Before joining Axcel Campus, my daughter has been timid and afraid to voice her opinion in front of people.
I have noticed that she is able to talk to people and give her opinion ~~more~~ with more confidence. She is able to think for herself and let out her suggestions.

Overall you have done well. My son is happy studying here. Keep up the good work.

All well done. Continue with what you are doing now.
